The Alliance Academy is a comprehensive program implemented by Yamhill Carlton School District that serves students through an innovative combination of curriculum, online resources, and supplemental enrichment opportunities.

Student Expectations:

- Be a "resident pupil".
- Consistently complete coursework and assessments proficiently and in a timely manner.
- Be motivated and capable of working independently.
- Ensure that technology and materials loaned out are properly protected and maintained.
- Submit only their own work.
- Communicate progress and questions with their facilitator via phone, online system, email, or in person.
- Participate in annual State Assessments.
- Observe school policies and rules when participating in Alliance Academy activities.

Parent Guardian expectations:

- Be the primary instructor, monitoring daily schoolwork and fostering the learning process.
- Submit weekly attendance.
- Provide and encourage an environment that is conducive to productive study and coursework.
- Arrange for a high-speed internet connection.
- Be financially responsible for any school property provided that is damaged or not returned.
- Be available to actively participate in home visits and advisory meetings.
- Communicate promptly with staff should questions or concerns arise.
- Ensure student meets all Alliance Academy expectations listed at left, including state testing.

We have both read and agree to meet all of the above expectations to ensure our success in this program:
