Your Ideas

We care what you think! Let's imagine and design your school.

Group Activity #1

Bellingham Public Schools
a collective commitment

Top Five

What are the TOP FIVE characteristics, qualities, and attributes that this school should have?

What are the TOP FIVE characteristics, qualities, and attributes that this site should have?

Record your groups top 5 (10 total) on a large poster sheet. Select a spokesperson who will share back with the larger group.

Group Activity #2

Envision Your Ideal Environment

What does your ideal teaching and learning environment look like?

Describe using pictures, words, diagrams and drawings.

Use paper and pens on your table to capture each of your ideas.
