

# AUGUST NEWSLETTER

## What are we learning?

Focusing on school pride, routines, and building a classroom family. Setting our foundation for the year ahead. We will also discuss our September character trait, respect.

## Trait: Citizenship & Respect

Understanding our role in the community and showing school pride through positive actions and following routines. Practicing the Golden Rule: Treat others the way you want to be treated. Respecting personal space and differences.

## Parent Corner

Encourage school spirit! Talk with your child about their new class routines and what it means to be a good citizen. Practice "whole-body listening" at home. Show your child how giving full attention is a major sign of respect.

Students will complete a [needs assessment in class that can be viewed here](#).
