

SEPTEMBER NEWSLETTER

What are we learning?

Learning to define mental health and identifying when to seek help for yourself or others. Senate Bill 9 Safety Lesson will be taught on September 14th, covering child abuse prevention, dating/family violence, trafficking, & cybersafety. These sensitive topics are taught at an age appropriate level with a specific focus on online safety.

Trait: Respect

Practicing the Golden Rule: Treat others the way you want to be treated. Respecting personal space and differences.

Parent Corner

Practice "whole-body listening" at home. Show your child how giving full attention is a major sign of respect. You may preview the [SB9 Safety lesson here](#).
