

OCTOBER NEWSLETTER

🛡️ What are we learning?

Learning about responsibility, health risks and consequences of substance use with a focus on refusal skills and healthy coping strategies.

☰ Trait: Responsibility

Doing what you are supposed to do, even when nobody is looking. Taking ownership of your actions and choices.

🔑 Parent Corner

Give your child a "Big Kid" responsibility at home, like caring for a family pet or doing their own laundry. Talk to your student about how to know when a job is "finished" and giving their full effort.

[View the substance use prevention lesson here.](#)

*Please note that 6th grade will also receive information on the dangers of Fentanyl and overdose. [View this information here.](#)
