

# APRIL NEWSLETTER

## 🌱 What are we learning?

Earth Month! Studying environmental protection and how we can lead the way in caring for our planet.

## ⚡ Trait: Courage

Being brave enough to do what is right, even when it's hard or scary. Standing up for others and our beliefs.

## 🏠 Parent Corner

Remind your child of a time they were brave before. Help them "borrow their own confidence" for new challenges. Be on the lookout for your student's choice sheet for next year's schedule- it will be sent home this month!
