Raise More Money in Less Time with Online Fundraising

Key benefits about Groupfund-

1. Raises more money with less effort than selling products.
2. Safer than selling products. No going door-to-door or delivering products
3. 90% profit compared to 50% profit when selling products.
4. It takes less than 2 minutes to sign up. Scan a QR Code, enter name and cell number. Receive a text with your donation page. No APP to download!
5. Groupfund does not share, sell, or distribute any of your information.
6. Reaches anyone, anywhere if they have cellular service and payments can be made right from their phones. So distant relatives, family friends, etc., can still donate.
7. We give more profit and charge less donor fees than our competitors.
8. Super easy and efficient platform that requires minimal effort and time from students and coaches so they can concentrate on school.
