

Summer Reading for Rising 3rd Graders

Summer is a great time to read a lot to get ready for third grade! Each student is expected to keep a list of the books he or she reads during the summer using the attached chart. Be sure to list each book's title, author, and page count on the chart.

Students should read at least **ten** books, five of which must be chapter books. Please do not read Bunnicula or Ramona Quimby, Age 8, since we will read those as class novels.

For two of the books, each student must write a paragraph summary on notebook paper.

Your student should turn in his or her two summaries and list of books read by Friday, August 14.

Yes! The library WILL be open this summer!

Come check out books from 10-3 on June 3rd, June 17th, July 1st, and July 22nd!
