

MHS Pre-Participation Forms 2026-2027

All Physical examinations must take place after April 1, 2026 to qualify for the 26-27 school year. Pre-participation forms for the upcoming 2024-2025 school year will be done using RankOne, found at rankonesport.com. Participation is required of all athletics teams and many extracurricular activities such as band, drill team, NJROTC, etc. If you already have a parent account, do NOT create a new one. Simply log in using the same email address and password as last year.

Instructions for NEW users:

1) Our school specific website can be found by going to:

<https://magnoliaisd.rankonesport.com/New/NewInstructionsPage.aspx> 2)

You will need to create a parent account using an email address. For issues with verifying your account, email support@rankonesport.com 3) Next, enter your student(s)'s information including their student ID number(s). The ID numbers will be cross-referenced from the school's database, so make sure it is accurate in order to "Find students." 4) From here you can add additional students - if applicable - or begin the pre-participation forms.

Instructions for ALL users:

- 5) Once logged in to rankonesport.com, you will see each student's name with a "compliance status," and you will click "View" next to this status to complete each form.
- 6) The physical and medical history are to be submitted by document upload or by physically turning in a paper copy to staff athletic trainers. These documents are found under the "Download and print" tab on the right side of the screen.
- 7) The UIL forms, OTC consent, MISD policies, & Emergency card can be signed and completed digitally.
- 8) Once forms are submitted, staff Athletic Trainers will review them. During this time some forms may read as "Incomplete" until approved. Once all are approved, your student will be marked as "Compliant" and a green checkmark will appear at the top of their profile under eligibility.

Contact a Staff Athletic Trainer below with any questions:
