

2026-2027 Volunteer Opportunities

Naper Home & School Association (H&S) is made up of many volunteers who assist with large event programming as well as day-to-day tasks. Getting involved on a committee is a great way to learn more about what's happening at Naper and meet other parents. We hope you will consider lending your talents to our community!

Be on the look out this fall for more information on the 2026-27 Sign-Up process using Sign Up Genius!

We have included our volunteer opportunities below; these are committees you are likely to see on the volunteer sign up.
