Letter from Dr. Moore

Dear Parents, students and Genesee Community,

As I write this letter, I am filled with a deep sense of gratitude and reflection. After 16 years of serving as your Superintendent, my position as Superintendent will officially end on June 30, 2026, and the time has come for me to say goodbye.

It has been one of the greatest honors of my life to work alongside such a dedicated and caring staff and community. Together, we have celebrated achievements, navigated challenges, and remained steadfast in our shared commitment to providing the very best for our students. I have witnessed classrooms filled with curiosity, hallways alive with energy, and a community that consistently shows up for one another.

I am incredibly proud of what we have accomplished together. From academic growth to expanded opportunities in the arts, athletics, and beyond, our district has continued to evolve while keeping students at the center of every decision. None of this would have been possible without the passion and dedication of our teachers and staff, the support of our families, and the enthusiasm of our students.

What I will carry with me most are the relationships. The conversations at events, the moments of collaboration, and the shared belief in the importance of education have left a lasting impression on me. This community is truly special, and I feel fortunate to have been part of it.

While I am stepping away from this role, I have full confidence in the continued success of Genesee Joint School District. The foundation is strong, and the future is bright.

Thank you for your trust, your partnership, and your unwavering commitment to our schools. It has been a privilege to serve you.

With sincere appreciation,

Mrs. Wendy Moore
Superintendent
