

Connecting the faces of Clark County for student success.

We encourage all principals to nominate a Parent Ambassador to represent the school. More than one parent/adult family member can be nominated.

Any parent can serve as the Ambassador, regardless of membership on the School Organizational Team (SOT).

The Role of the Parent Ambassador:

- Receive information from Family & Community Engagement Services (FACES) regarding family engagement support and activities.
- Communicate information to other parents/families with the assistance of school staff
- Establish relationships with other parents/families to create a positive support system. (For example, the Ambassador can welcome new families.)
- Meet regularly with school Principal/AP and/or Organizational Team (SOT) to share information and discuss feedback from families.
- Look for opportunities to engage and serve within the school community.
