

York Intermediate School **REPORT TO THE PARENTS**

York Intermediate School proudly serves 5th and 6th grade students in York School District One. Our schoolwide theme is "Your Path. Your Power. Lead Like a Cougar." It captures what we are striving for each day: continuous growth and learning, leadership at all levels, recognizing our influence and impact, and embracing the power we each have to make a lasting difference. This work has been further guided by our Superintendent's motto "Be Seen. Be Heard. Belong." We remain committed to creating a school environment where all students, staff members, parents, and community partners have a voice as well as feel valued and supported.

Our two primary focus areas have been collaboration and leadership for both students and staff. As a faculty, we strengthened our collaborative practices through the implementation of the *PLC at Work* process, creating meaningful opportunities to learn from one another and improve instruction for all students. We will continue this work over the summer by attending the *PLC at Work* Conference.

This year also marked the launch of our Student Lighthouse Team, made up of thirteen students from both grade levels. These student leaders have played a vital role in amplifying student voice and contributing to some of our school's biggest ideas and events.

We are grateful for the ongoing support and partnership of our families and community. The growth we have seen this year is worth celebrating, and the work ahead is worth continuing. As we move forward, we are excited to build upon our efforts in leadership and collaboration, knowing that even greater accomplishments lie ahead!

2025-2026 School Improvement Council

Tracy Miskelly- Parent & Chairperson
Tara Nyegaard- Teacher & Vice Chairperson
Sydney Field- Teacher & Secretary
Mary Ann Roberts- Community Member

Tania Salinas- Parent
Jeana Smith- Community Member
Hannah Rescigno- Principal
Kellie Mondo- Asst. Principal

Our School Improvement Council focused on supporting Parent/School Connections to help communicate academic expectations and available resources. By building upon last year's SIC goal, we intentionally maintained and expanded opportunities to celebrate students and engage parents and community members. These efforts continue to help foster stronger relationships, improve communication, and increase family involvement in school events and activities.
