L. Narrative:

The intent of this policy is to support a focused learning environment, minimize distractions, and promote student social and emotional well-being by regulating and setting expectations regarding the use of student personal cell phones, smart watches, and other personal electronic devices (PED's) during the school day and while students are participating in other school sponsored activities. This policy applies to all student-owned personal electronic devices with or without internet or cellular network connectivity capabilities, wearable or handheld.

- I. Students Pre-K through Grade 8: No Personal Use During the School Day**
- A.** Students are not permitted to carry/wear or access personal cell phones and may include smart watches, or other PED's during the school day.
 - B.** Upon arrival at school, devices must be silenced and stored in lockers or designated storage areas.
 - C.** Cell phones and may include smart watches, and other PED's may only be used before the first bell and after the last bell of the day.
 - D.** Exceptions to the prohibition on use may be granted for monitoring or management of a health condition in accordance with a health care provider's order as incorporated into a student's individual health plan (IHP) (e.g., glucose monitoring); implementation of a student's IEP; a documented Section 504 accommodation for an individual student (e.g., use of assistive technology); or in emergency situations as authorized by staff.

II. MISUSE OF CELL PHONES AND OTHER ELECTRONIC DEVICES

The use of a cell phone, smart watch, or any other electronic device in any manner that violates Board policy or school rules is prohibited. This includes but is not limited to bullying, harassment, cheating, and other violations of the student code of conduct. Use of cell phones and other devices with cameras and/or voice recording capabilities is strictly prohibited in bathrooms, locker rooms, and other places where privacy is generally expected. In all other school locations, permission must be granted before photographing or recording another person. Student cell phones and other electronic devices may be subject to search if there is reasonable suspicion of a violation.

- A. At all grade levels, violations of this policy may result in:
 - 1. A verbal warning.
 - 2. Confiscation of the cell phone, smart watch, or other device for the remainder of the day.
 - 3. For continued or repeated violations, a meeting with the student's parent/guardian may be required.
 - 4. Repeated or serious violations may require a parent/guardian meeting and/or result in additional disciplinary consequences as provided in the school unit's Student Code of Conduct.

- B. At all grade levels, parent communications concerning their child should be directed to the school office.

In the event of a school emergency, the school/district will communicate with parents as promptly as possible in accordance with the school unit's Health and Safety and Emergency Management Plan.

RSU 63 will not be responsible for loss, theft, or damage to student cell phones, smart watches, or other PED's students bring to school or onto school property, including school buses.

Schools will include the appropriate use of cell phones, smart watches, and other electronic devices with internet and cellular connectivity in educating students and staff about digital citizenship, online safety, and responsible technology use.

Teachers and other school staff should be conscious of the impact of their own behavior on their students and avoid the use of their own cell phones, smart watches, and other electronic devices when engaged in classroom instruction or supervision of students, except as permitted in this policy.
