STUDENT TRANSPORTATION SERVICES

RSU 63 will provide transportation for all students living within the district for grade pre-K – 8 students to their appropriate school.

Authorized bus stops will be located so as to load and unload students with the most safety allowed by road conditions. The distance between stops may vary according to safety factors. If possible, students will be loaded and unloaded so that it is not necessary for them to cross a main highway to reach their homes.

Requests for bus stops, inconsistent with this policy must be made in writing and submitted to the Superintendent.

RSU 63 will provide transportation to Brewer High School and John Bapst Memorial High School as they are the primary supplying schools for RSU 63. Transportation to Bangor High School may be considered by the Superintendent and Transportation Director.
