

Beacon Tree Bond Updates

SUMMER 2026

- Install new playground equipment.
- Replace playground soft surface areas.
- Replace Media Center Furniture

There is an exciting change coming to Beacon Tree Elementary this summer.

Thanks to our UCS community support of the Safety and Success Bond Issue, we are excited to introduce new playground equipment to ignite our children's imagination! The new equipment is focused on providing different ways to get our students moving and working together as they exercise to make physical activity fun!

The improvements will begin shortly. If weather cooperates, the improvements are scheduled to be completed when we welcome students back for the 2026-27 school year.

Safety remains the priority for the bond issue. Previously, we received a replacement of door hardware and select doors, as needed. We also scheduled to have new bottle filling stations.
