

# TUSKER TRACKS

A weekly, trunkated note from Dr. B

## The Bronstein Brief

Happy Friday, Somers!

Today is School Lunch Hero Day. It is a day to celebrate our food service workers who provide nutritious meals to our students each school day. Thank you for all that you do!

Next week is Teacher Appreciation Week, and I'd like to be the first to thank our faculty for their tireless dedication to the children of Somers! I look forward to celebrating this special occasion.

## Around the District

Thank you to all of our Tusker artists who displayed their hard work at the Festival of the Arts at SHS this week.

It was wonderful to see a large representation from students of the creativity and growth throughout their years of artistic study in the Somers Central School District.

Many thanks to our K-12 Art Educators and to the SEF for hosting this event, which truly showcases work from the entire District. If you were unable to make it to the opening, the artwork will remain displayed throughout next week at SHS.

## Tusker Tidbits

As part of April's School Library Month celebration, Ms. Garrigan brought creativity to life with an exciting WIN activity that combined imagination, photography, and perspective.

During the Book Face Challenge, students selected books and carefully positioned themselves to blend seamlessly with each cover. The SMS Library transformed into a creative studio as students worked together to find just the right angles and bring their book covers to life.

May 1, 2026

## School Lunch Hero Day

School Lunch Hero Day is an opportunity for school communities to thank those who provide healthy meals to our students each school day.

Thank you to the School Lunch Heroes of the Somers Central School District!

## 'Tails' of Triumph

Tomorrow (5/2), ahead of the Joe Wynne Somers Lions Club Track Invitational, the Youth 400 Meter Dash will take place! Registration begins at 8:30 a.m. and the races will start at 9:00 a.m.

Bring your youth Tuskers to get a taste of Track & Field and show off their speed!
