

Crowley ISD Points of Pride

Thursday, April 30, 2026

1. Bass Fishing

Big fish and big congratulations goes out to the Crowley ISD Fishing Club after reeling in an amazing showing at the Texas Bass Nation Youth and College regional tournament at Possum Kingdom Lake. **Michael Taskov and Kingston Magallanez**, both juniors from North Crowley High School, landed “Biggest Fish” honors and finished 4th overall in a highly-competitive field.

2. UIL Competition

Last Saturday, the Bill R. Johnson CTE Center was filled with energy and incredible student achievement as every elementary campus came together to compete in the UIL Academic competition.

From math and science to language arts and beyond, **more than 700 students** rose to the challenge and made us proud. A huge thank you to our coaches, staff, and families who support these learners every step of the way!

3. Swimming Tryouts

In conjunction with National Healthy Kids Day, the district hosted tryouts for the first-ever Crowley ISD districtwide **Barracuda Swim Team**—and the turnout was incredible. Nearly 100 students showed up ready to compete and be part of something special, ranging from just 4 years old all the way to high school seniors. A big congratulations to the eight high school swimmers who earned their spot on the high school team—this is just the beginning.

Thank you to the **Ryan Family YMCA** for hosting, our coaches for evaluating, and all the families who came out to support.

4. Art Winners

Let’s celebrate some amazing fine arts talent from Crowley Middle School, as they had a pair of 8th grade artists standout at the recent Texas Art Education Association VASE competition. **Sir’Kyren Roberts** earned a medal for his storyboard, while **Ijaba Osman** also took home a medal and top honors for her painting.

Both artists are part of Mrs. Tuggles’ class and stood out among hundreds of entries. We’re so proud of these students!

5. 100 Wins

Congratulations to Crowley High School baseball coach, **Quinlin Germany**, on earning his 100th career win last Friday with a 7-2 victory against North Crowley. While it was a challenging year for the Eagles while their home facilities were under construction, CHS was able to end the season on a four-game winning streak. Here's to your continued success and many more wins ahead!

6. Deer Creek 50th Celebration

50 years of excellence at Deer Creek Elementary School was celebrated on Saturday, April 18. From past to present, the Dragons showed up as former and current students, staff, principals, and community members were in attendance to honor a lasting legacy. The day was filled with laughs and love as visitors were able to walk the halls, see campus improvements and catch up with others.
