EOC Testing Schedule April 27th - May 1st

****On the day(s) a student is NOT scheduled for EOC testing, the parent(s) may choose one of the following options:**

1. Students can attend the full day of school and participate in a supervised study hall in the cafeteria during the morning testing window.
2. Students can study from home during the morning testing window and report to school at the time listed on the bell schedule. Students will not be marked absent from classes during the 8:20 am – 11:50 am time frame.
3. Once testing is concluded each morning, students will report to their advisement classroom until the regular schedule begins.
4. Each day, the “regular” schedule will begin at 11:50 am.
5. During the testing window (8:20 am to 11:50 am) the only students who will be marked absent are students who are not present for their End of Course Assessment.

NOTE: The parent must provide transportation to school for their child if they choose option #2 as buses will only be running their regular scheduled routes.

Attention students taking an AP exam:

You MUST know your College Board login and password before you take an AP exam. On test day, you will not be able to use your phone to access your login for any reason, so make sure you check and are able to login with your College Board account before test day.

If you cannot login, you will not be allowed to test, and you will not be scheduled for a late test.

If you are having any issues logging in, you will need to call College Board, because the school cannot help you get logged into College Board. **See Dr. Bounds if you have any questions.**

Advanced Placement Exams

Attention students, if you were enrolled in an AP class this year, and you dropped the course after November 15, please check your FCS email for a very important announcement from Dr. Bounds regarding College Board fees that you must pay. Seniors- pay special attention to this announcement, because you will not receive your graduation tickets until this fee is paid. See Dr. Bounds if you have any questions.
