

Once again, the North Fork Business Advisory and the 4 area high schools had a successful Job Shadow Day on Friday, April 24, 2026. 15 students from Greenport High School participated in this event, shadowing at various locations across the North Fork. We would like to extend a gracious thank you to Peconic Landing, Ferretti & Odell Accounting, East End Arts, Stony Brook Eastern Long Island Hospital, Albertson Marina, DJK, Southold Police Department, Greenport High School, and Greenport Elementary School for hosting our students. The students had an opportunity to experience firsthand the trajectory of these career paths and to learn about the opportunities available.
