

Mrs. Hibbard's Notes

Spring has finally sprung! We are so proud of our students who worked very hard on their NYS ELA Assessments last week. Math tests will take place next week and grade 5 science will be the week after. Thank you for helping your student get a good night's sleep and encouraging them to try their best! Also, thank you to our PTO for providing students with a special snack on all testing days!

Class placement flyers will go home later this month to all 3rd and 4th grade parents. This is a chance for you to tell us about your child and the best learning environment for your son/daughter. Please remember that we do not take requests for specific teachers, however we do use your input to help place your child in a classroom that will set him/her up for a successful school year. We are asking that all families complete and return the form so that we can begin our planning. Forms are due to the office or your child's teacher on **May 21, 2026**. Please note that you will receive a letter in August informing you of your child's placement for the 2026-27 school year.

*Parent Handbook Highlight: Bicycles and scooters may be ridden to school. They should be locked and parked in the bicycle rack in front of the main doors. A note to the teacher is requested if your child will be riding his/her bike or scooter home instead of taking the bus. Bicycle safety rules should be stressed with your child. **Students may not ride up and down the driveway, in the bus loop, on sidewalks, or through the parking lot.** New York state law requires students wear helmets. Help your child to stay safe this spring and summer!*

Reminders

- Now that the weather is getting warmer, the Physical Education Department would like to remind students to be sure they wear proper footwear to PE class and recess. Please remember that participating in PE class and recess in flip-flops is NOT safe. Please be sure that students come prepared with sneakers so they can safely participate.
- Parents, please send in a note when you will be signing out your child early or if you will be altering your child's dismissal procedure for the day. A note allows the office staff and your child's teacher time to make necessary arrangements for your child.
- Please remember at drop off in the morning to keep the cars moving. If you need more time, please park so that the line of cars can continue dropping off students safely. Thank you!

PTO Information

The PTO would like to remind parents that the **yearbook sale** is still going on. Online orders are accepted until May 8th, order forms were sent home in April and are accepted until May 1, if you need a new one please reach out via email at cadystantonpto@gmail.com or contact the main office. You can also order a yearbook at <https://link.entourageyearbooks.com/my/CadyStanton26>

Cady Stanton PTO will be hosting the **Scholastic Book Fair, May 18-21**. This is a BOGO book fair. Additional information will be sent home with your child as the book fair gets closer. We also need volunteers to be cashiers during the book fair. Please be on the lookout for a sign up genius to volunteer. 3rd grade families: the book fair will also be open for you to shop after the concert on May 21.

In the next few weeks, the Cady Stanton PTO will be looking for volunteers to help with lunch for our upcoming Field days and the 5th Grade Picnic.

Hope to see you at the next meeting on **May 13 at 6:00** in the CS library!

Congratulations to April's Students of the Month!

We're Proud of You!

The flyer below was sent home with your fifth grade student last week. We strongly encourage families to bring no more than 4 guests per student to this celebration. The gym will be very crowded and hot that day and seating cannot be guaranteed for all. Please use the link (we will share it the day before) so that other family members can watch the ceremony online. Thank you!

*** Please note: A link to stream the ceremony will be provided to parents/guardians so they can share with family members. Seating is limited so we suggest streaming for extended family members.*

More information to follow soon!

Congratulations to our **Antonio Varacalli Essay Contest Winners!** Students wrote essays about a time they were scared but stayed brave and tried despite being afraid. The committee loved reading all of our student essays. Thank you to the "It's a Wonderful Life" committee for sponsoring this event and recognizing our students!

SO PROUD OF YOU!

Congratulations!

April
Students of the Month
CONGRATULATIONS!!!

Ms. D'Eredita's 3rd grade class had the opportunity to look at pictures of the moon's surface through 3D glasses from photographs taken on the Apollo mission. Students were very interested in what they were seeing!

5th grade Student Council reminded us about responsibility and led a trivia contest at our Blue Bash last month.
