

Student Teaching

School-Community Relations Policy 9010

Policy Statement

- The Board encourages the administration to cooperate with teacher training institutions in the placement of student teachers in District schools.
- The Board authorizes the administration to honor rules, regulations, and training guidelines of the sending institution.
- In all arrangements made with teacher training institutions, the District shall have the authority to interview and accept or reject individual trainee candidates.
- Evaluation procedures for student teachers shall meet the requirements of the sending institution and comply with District policies.

Definitions

Student teacher: an individual participating in a practice teaching, internship, clinical or field experience who, as part of a program for the initial or advanced preparation for professional educators, performs classroom teaching or assists in the program of a school under the supervision of teacher education faculty

Responsibility

The Superintendent shall be responsible for compliance.
