SCHOOL IMPROVEMENT PLAN GOALS

Increase the percent of students scoring mid/above on iReady Reading and Math from 72.4% to 76%.

We met our goal by achieving 77% scoring mid/above grade level for reading and 78% in math!

*Provide high-quality Tier 1 instruction across all grades and classes.

*Ensure that new math curriculum is implemented in all classrooms.

*Provided targeted, focused learning opportunities for all students.

SCHOOL STATISTICS

Our mission is to create an early learning experience that is rooted in high academic expectations, play-based learning, and developmentally appropriate practice. The definition of primary is "first or most important", and we believe our responsibility is to set a foundation of learning and growth for our students that lays a path of success for years to come. Our school serves approximately 500 K-2 students who reside in our attendance zone. Additionally, our pre-K program serves four year old students from two different attendance zones, and this year we opened an employee childcare program.

iReady Reading

Kinder- Fall 34% Spring 97%

1st Gd.- Fall 20% Spring 90%

2nd Gd.- Fall 45% Spring 92%

iReady Math

Kinder- Fall 26% Spring 94%

1st Gd.- Fall 18% Spring 85%

2nd Gd.- Fall 27% Spring 91%

SIC GOALS

Our goal for the 2025-2026 school year was to implement WIN (What I Need) Time across grades K-2. Creating a schedule that allows our interventionists to support each grade level allows for every student, regardless of skill level or goal, to receive targeted instruction that is on their level. This schedule allowed our classroom teachers to address the needs of students that are working on or above grade level to provide enrichment opportunities that will push them to meet their stretch growth. We feel that by implementing this model, we have seen an increase of students that achieve academic gains, including the percentage of students that score mid/above grade level on iReady Reading and iReady Math.

WHAT DO OUR TEACHERS AND PARENTS LOVE ABOUT LAUREL HILL PRIMARY?

Laurel Hill Primary is truly a special place to learn, to teach, and to visit. We are a warm and welcoming school family dedicated to setting the standard in early childhood education. It is a joy to invest in our students, our families, and our community by making learning meaningful, purposeful, engaging, and fun for all. Through collaboration, a willingness to be life-long learners, and love, we get to empower our students (and each other) to grow and use our gifts and experiences to make the world better.

-Lindsay Bruorton 2026 Teacher of the Year

"I truly love being part of the Laurel Hill Primary School community! It feels like such a supportive and welcoming place where every child and family matters. The teachers go above and beyond to help students grow and succeed, using engaging and thoughtful approaches that make learning fun. The school also does an amazing job creating meaningful events for both students and families, which really bring everyone together. There's a strong sense of connection between families and the school, creating a positive environment where everyone works together to help our children thrive." - Lauren Lundstedt PTA President

This Report is issued by your School Improvement Council in accordance with South Carolina law to share information on the school's progress in meeting improvement goals and objectives, the work of the SIC, and other accomplishments during the school year.
