Words from the Interim Director Ronda Carter

We are proud to share that our school achieved over 95% participation in state testing during the month of April, an outstanding accomplishment! Thank you to our students, families, and staff for your commitment and support in making this success possible. Way to go, everyone! Our next assessment is the district-wide NWEA testing, scheduled for **May 12**. This test is also mandatory for all students, and we encourage families to continue supporting their child by ensuring they are present, well-rested, and ready to do their best. Please contact us if you have any questions at (810) 412-8655.

Tutoring

Your student can schedule tutoring times with staff to catch up on missing work or receive help on assignments.

They simply need to talk with the staff person they would like to work with and schedule a day.
