Math

Temperature

After wrapping up unit 5, we will begin to touch on some Core Knowledge math standards. This week we will practice reading a thermometer, both in Fahrenheit and Celsius. Students will learn the boiling and freezing points in both Fahrenheit and Celsius and learn about the degree sign.

Sight Words

We will review 2nd grade sight words including these tough ones:

certain
usually
products
toward
figure
numeral

Social Studies

Immigration

Students will spend this week learning about what it was like for early immigrants to live and work in America. They will learn about neighborhoods like Chinatown, where immigrants lived closely together to support one another, eat familiar foods, and speak in their native language. We will also learn the steps to become a U.S. citizen.
