Alfonso Borrero Sr. Elementary

Military Connected Family Plan

Borrego Elementary School's plan supports military-connected students and families academically, socially, and emotionally by addressing the unique challenges of military life, including transitions, deployments, and separations. Our campus is committed to creating a welcoming, inclusive environment where students feel valued, supported, and empowered to succeed.

To provide the best support to our families, the following activities will be offered at Borrego Elementary:

- Welcome new students with a tour of campus and give family information on school
- Include military family resources in campus monthly newsletters (Military Corner)
- Military Thursdays: Wear a military shirt
- Military Students will participate in our Homecoming Parade
- Check ins with military students
- Counseling as needed
- November: American Pride Week: Activities to celebrate Veteran's Day
- Military students will be part of our Angel Tree Give away
- Include military career options during Career Day Presentations
- Month of the Military Child Activities (Purple Up Days, District Celebration)
