A Note From Your CIS Site Coordinator...

May 2026 – Reflection & Looking Ahead

As we close out the school year, thank you for everything you've done to support your child's learning and attendance. Each day mattered. Every absence you prevented helped move students toward success.

Final thought:
When students improve their attendance, even after setbacks, they improve their chances of graduating and achieving future goals.

Keep encouraging your child to finish strong. And remember, I'll be here next year to continue supporting your family every step of the way.
