5th Grade Update

It was a short but busy week in 5th grade! Students wrapped up the week with Literacy testing on Thursday and Friday, and it is hard to believe we are now heading into our final month of school. There is still so much to accomplish, and we are excited to finish the year strong together. We hope families enjoyed some extra time together with their students over the extended break.

As we look ahead, our big 50 States test is coming up this Friday, so students should continue reviewing and preparing. We also want to share that parent volunteering will wrap up after next week. We are incredibly grateful for all the time, energy, and support our volunteers have given throughout the year. It has truly made a difference in our classroom. Thank you for being such an important part of our school community!

Mile Run-
Please send
coats and
running shoes

This week, 5th grade students will be running the mile during PE. Please make sure your child comes prepared with appropriate running shoes and a coat, as we will be going outside regardless of cooler temperatures. As we all know, Colorado weather can be unpredictable, so dressing in layers is especially important to keep students comfortable. Being properly prepared will help them perform their best!
