Lockers take extra time!

## Laptop Reminder

***Please remind your student to handle their computer with care. Applying pressure to the screen—such as picking up the device by the display—can weaken it over time and may lead to damage. To help keep devices in good condition, students should always carry their computer with the lid closed and hold it by the base, not the screen. Thank you for helping reinforce these habits at home!***

## Reminders

- **Always check the website if you have questions**

- Requesting a bus pass? Due to our buses being so full, First Student must approve all bus passes before the school can. Please call them at 913.422.8501. Once approved, one parent from each student will need to contact the school @MCMS Front Office so we are able to issue the appropriate bus pass.
