AP Exams Proctors!

It is that time of year again! I would love to get parent volunteers for AP exam testing. If you have a 4 hour window of time the first two weeks of May (May 4 to May 15), don't mind walking up and down rows of the gym or sorting test booklets, we would love to have you serve as a test proctor.

Proctor eligibility criteria!

1. Adult. 18 plus. (Not a high school student.)
2. Have never taught an AP exam course in the subject they are proctoring.
3. Not be a proctor for an immediate family member testing. (so you can't proctor your own student's exams)
4. Not employed by a test prep company

If you aren't any of those, and you have any of the available times, please email Mr. Lee at milee@alamedaunified.org.

➤ **We Need Your Help – AHS Athletic Field**

The Alameda Unified School District (District) is continuing its planning process for an athletic field to serve the Alameda High School athletic program. The new athletic field is proposed to be located at 1801

Sandcreek Way at the site of the former Lum Elementary school and current temporary campus. The District held a public information meeting with neighbors and the community on March 3, 2026. Community feedback centered around how the District selected the proposed site, traffic and parking concerns, lighting and privacy concerns, and noise concerns.

Based on that feedback, the District will hold a public workshop to present additional information on the proposed project and interactively receive feedback on issues that matter most to the community, students and staff. District representatives and members of the design team will be present to provide information and answer questions.

Workshop information follows:

Workshop Date: Tuesday May 19, 2026

Workshop Time: 5:30 pm to 7:30 pm

Workshop Location: Wood Middle School

1801 Sandcreek Way, Alameda CA - Multi-purpose Room

(please proceed to the blacktop of the school, there will be signs and staff to help direct you)

Contact: AUSD Construction Department

P: (510) 337-7020

E: construction@alamedaunified.org

Additional Information: <https://www.alamedaunified.org/departments/construction/measure-b/alameda-high-school-athletic-field>

We will provide an overview of the history of the planning process that led to proposed project location. The workshop portion will include small groups utilizing Menti to allow participants to provide real-time feedback on key design criteria and alternatives. Menti can be anonymously accessed from your smartphone at the meeting or using a Chromebook provided at the meeting. We look forward to seeing you there.

➤ **Pepper Spray**

There have been a few questions around pepper spray and what is and is not allowed on campus, so I wanted to provide some clarity to our community as well as our school staff and students.

It is important to know that the prohibition of pepper spray on campus is a strict requirement under California Education Code.

California Education Code Requirements Under California Education Code (specifically Sections 48900 and 48915), the possession of any "tear gas" or "pepper spray" is strictly prohibited on K-12 school campuses. State law classifies these as prohibited items in a school environment to ensure the safety of all students and staff.

Please be advised that this legal prohibition includes the small, "keychain-sized" pepper sprays often sold for personal safety. Regardless of the size, the intended use for self-defense, or

whether it is attached to a set of keys or a backpack, California Ed Code prohibits these items from being brought onto campus.

We recognize that students may carry these items for safety during their commute. However, we have to follow state education law (Ed Code) – please be advised that this means if pepper spray is found, we confiscate it and it is not returned.

Although we only have a handful of weeks left in school, I wanted to provide this clarification in case it is helpful.

➤ **Prom – Exclusion List Reminder**

Junior and Senior families, prom is coming up and I want to give a quick reminder that students with excessive tardies (over 24) will be placed on the exclusion list and will be unable to attend prom. You can find more details further down in this newsletter.

➤ **Drop Off Etiquette**

Parents, please ensure you are not blocking the entrances or exits on Oak and Walnut during drop-off and pick-up. Parking or idling in these areas creates a significant safety hazard for our students and causes unnecessary traffic pileups for everyone. We appreciate your cooperation in keeping the flow moving!

➤ **College & Career – Scholarships**

If you have a graduating senior this year, please encourage them to check out the college and career center. There are many scholarships available and Ms Bustos can share that information with them and suggest some that are a good fit. Check out the C&C website, by [clicking here](#).

➤ **(Exclusion List) Attendance and Senior Events**

Our last attendance period has started and goes until May 16th. Please know that this is a very important attendance window for our seniors (and juniors). **Too many tardies (over 24) and the student is placed on the exclusion list and not eligible for senior events, this includes prom.** In order to support this, we have increased notification of tardies. Please remind your seniors and juniors to be mindful of their tardies and attendance. Please see the attendance policy in its entirety below:

ATTENDANCE POLICIES

Excused and Unexcused Absences:

Excused Absences: Excused absences can be verified by a parent calling the attendance office or sending a note which includes the student's name, AHS ID#, reason for absence, date and time of absence, and the signature of the parent. When a student has an excused absence they are not allowed to be on campus or in the media center.

- CA Education Code states that any absence beyond 14 absences will be considered an unexcused absence unless a doctor's note is submitted for that absence. Each absence beyond the 14th day requires its own doctor's note.
- Students who are truant, with excessive unexcused absences in any of their classes may be denied participation in extracurricular events, including sports and senior privileges.

Chronic absenteeism, is when a student has more than 14 excused absences and may be factored in when considering the attendance percentages to participate in extracurricular activities, including athletics and proms.

- **Unexcused Absences:** When a student has an unexcused absence from school, the parents will be notified via email, text or phone depending on your preferences in our communications system. In addition, unexcused absences may lead to discipline by both the school and the district. These disciplines can include detentions and/or truancy letters and exclusion from school activities.
- **Clearing Absences:** All absences must be cleared within three (3) days of a student returning to school by the parent. This can be done either by telephone, sending a note, or emailing the Attendance Office. The Attendance Office is open between the hours of 8:00 a.m. and 4:00 p.m. Students will only be assisted in the Attendance Office for an absence clearing purpose in the morning from 8:00 a.m. to 9:00 a.m. during break time, and lunchtime. Teachers are not to send any student out of class during class time to the Attendance Office to clear any absence.

Truancy:

A student is considered *truant* if they are absent three class periods without a valid excuse in one school year, and/or are tardy for more than 30- minutes at the beginning of the period, or any combination thereof. Once your student reaches any combination of 3 missing class periods or 30 minute tardies, the district office / attendance will generate a truancy letter that will be sent home to the parent/guardian. After multiple truancy letters, a truant student may be subject to prosecution and/or suspension/revocation of his/her driving privilege (Vehicle Code 13202.7). Moreover, a truant student is also subject to suspension/revocation of any work permit acquired at the high school.

If you have any attendance concerns, please call or email our attendance staff, according to your student's last name.

- If your student's Last Name begins with the letter A - L, please call Ms. Derieg at 1-510-337-7022, extension 22757, or email: pderieg@alamedaunified.org.
- If your student's Last Name begins with the letter M - Z, please call Ms. Rosenthal at 1-510-337-7022, extension 22756, or email: croenthal@alamedaunified.org.

Absence, Tardies, and the Exclusion List:

Attendance and tardies are both calculated following Chronic Absenteeism and Truancy policies as outlined by the CA Department of Education. For a student to be able to participate in extracurricular activities such as athletic teams, dances, plays, etc., they must stay under 10% attendance issues. We are monitoring three "Attendance Periods"-Fall, Winter and Spring:

- In order to be eligible for extracurricular activities, including sports teams, plays, and all dances, including Junior/Senior Prom, Senior Banquet and Senior Picnic, a student must not exceed 24 tardies during the Fall, Winter or Spring season.

****For students who play sports on our Extracurricular Athletic Teams:** Please be aware that excessive period absences may result in a loss of privileges for the season as well as tardies.

FALL Attendance Period-August 11, 2025-November 2, 2025 (12 weeks):
No Student Can Exceed 24 Tardies between 08/11/2025 - 11/2/2025.

- If a student has been tardy 10% or has 24 or more tardies in this time-period, they may not be eligible for: Fall sports or the Senior Banquet on November 15, 2025.
- Once a student has 12 tardies, they will be assigned a lunch detention, and parents or guardians may be notified. Parents will be notified again once a student reaches 24 tardies during an Attendance Period.
- If a student has excessive unexcused period absences in any class, between 8/11/25-11/2/25, they will not be eligible to participate in any school related events.

*If a student accrues or misses more than the allowable number of tardies or absences in the current Attendance Period, they will be out of their team, cast, or event for the remainder of the season.

WINTER Attendance Period-November 3, 2025 - February 8, 2026 (11 week):
No Student Can Exceed 24 Tardies between 11/3/2025 - 2/8/2026.

- If a student has been tardy 10% or has 24 or more tardies in this time-period, they may not be eligible for: Winter sports the Fall Play.
- Once a student has 12 tardies, they will be assigned a lunch detention, and parents or guardians may be notified. Parents will be notified again once a student reaches 24 tardies during an Attendance Period.
- If a student has excessive unexcused period absences, between 11/3/2025-2/8/2026, they will not be eligible to participate in any school related events.

*If a student misses more than the allowable number of tardies or absences in the current Attendance Period, they will be removed from their team, cast or event for the remainder of the season.

SPRING Attendance Period-February 9, 2026 - May 16, 2026 (12 weeks):
No Student Can Exceed Thirteen Tardies between 2/9/2026 - 5/16/2026.

- If a student has been tardy 10% or has 24 or more tardies in this time-period, they may not be eligible for: the Spring Play, Spring Sports or the Junior/Senior Prom on May 16, 2026.
- Once a student has 12 tardies, they will be assigned a lunch detention, and parents or guardians may be notified. Parents will be notified again once a student reaches 24 tardies during an Attendance Period.
- If a student has excessive unexcused period absences, between 2/9/2026-5/16/2026, they will not be eligible to participate in any school related events.

*If a student misses more than the allowable number of tardies or absences in the current Attendance Period, they will be removed from their team, cast or event for the remainder of the season.

A student is officially tardy if they enter the classroom after the tardy bell has finished ringing to begin the class period. *If a student drops off their belongings but leaves the classroom and returns after the tardy bell, they will be considered tardy.*

Tuesday/Thursday Lunch Detentions:

If a student receives a detention, for behavior or tardiness, the office will send written notification that they must attend detention in the cafeteria on a Tuesday or Thursday, during the lunch hour. Lunch will be available for students from the cafeteria, and free lunch is available to all students. A campus supervisor or school administrator will monitor detention.

- For all detentions, students must arrive within 5 minutes after the start of the lunch bell rings.

Tardy Detentions:

Students will be assigned lunchtime detention for tardiness once they have accrued 12 tardies as well as at 24 tardies, in the current Attendance Period. The attendance office will run a list of students with unexcused tardies, and all students with 12 tardies, as well as 24 tardies, will serve a Tuesday or Thursday detention. If a student is on this list, the office will send written notification that they must attend detention in the cafeteria that same day during the lunch hour. Lunch will be available for students from the cafeteria, and free lunch is available to all students. A campus supervisor or school administrator will monitor detention.

Reminders About Tardies and Detentions:

- Teachers may have individual tardy policies and may hold their own detentions and consequences for tardiness to their classes, which can include classroom cleanup duties. Students who are excessively tardy, may be assigned a detention by their teacher or be referred to the office for further discipline at the discretion of the Administration.
- Students exceeding the allotted number of tardies in any of the three Attendance Periods, across their schedule, will be ineligible for extracurricular activities including athletics, school plays, dances and Junior/Senior events.
- Persistent tardiness may result in the student being put on the exclusion list and lose the privilege of participating in the following school sponsored extra-curricular activities, including but not limited to Athletic Teams, Drama, Band, Choir, Leadership (e.g., student body officers and representatives), School Assemblies, Sports Games and Dances (including Winter Ball, Junior Prom, and Senior Ball) for that Season.

The Exclusion List:

The Exclusion List will follow the three “ Fall, Winter and Spring Attendance Periods.” Should a student have unserved detentions in any of the three Attendance Periods, they will be ineligible for all extracurricular activities including athletics, school plays, dances and Junior/Senior events for that season until they are off the Exclusion List.

Truancy:

A student is considered *truant* if they are absent three class periods without a valid excuse in one school year, and/or are tardy for more than 30- minutes at the beginning of the period, or any combination thereof. Once your student reaches any combination of 3 missing class periods or 30 minute tardies, the district office / attendance will generate a truancy letter that will be sent home to the parent/guardian. After multiple truancy letters (a family will receive up to four Truancy letters a year), a truant student may be subject to prosecution and/or suspension/revocation of his/her driving privilege (Vehicle Code 13202.7). Moreover, a truant student is also subject to suspension/revocation of any work permit acquired at the high school. We are aligning our tardy policy with Truancy and Chronic Absenteeism, which outlines that 10% indicates a chronic issue.

Visitors:

All visitors must report to the welcome office before going to any other location on the campus. We do not authorize student visitors on campus. Any and all non-students with no apparent business to be on campus will be asked to leave campus immediately. All non-students without official business are notified that they are trespassing on school grounds. Returning to campus will result in Alameda Police being contacted for removal from campus.
