FREEMAN ASB ELECTION RESULTS!

We are thrilled to announce the results of our recent ASB Election. This year, the competition was impressive, with 43 total candidates vying for 6 available positions. Every candidate should be incredibly proud of their hard work; the organization shown through applications, posters, and speech writing was outstanding. The delivery of the speeches was particularly well done, and the commitment shown by all participants has truly improved our school by increasing student participation. Congratulations to our newly elected officers for the 2026-27 school year:

- President: Lily Lagreid
- Vice President: Jackie Horlacher
- Secretary: Tempe Durrant
- Treasurer: Darren Grow
- Parliamentarian: Charley Shaw
- Sgt-at-Arms: Kaylyn Ketel

To those who were not elected this time, we encourage you to stay involved in the student government of Freeman Elementary and Middle Schools. We hope to see you run for Classroom Representative this fall or consider running for office again next spring.

Our new officers will begin their journey shortly by attending the final ASB meetings of the current year and a planning session in August to prepare for the upcoming school year. Congratulations again to all who participated!

The "I Can't" to "I Can" Journey
 It's easy to get frustrated and say, "I can't!" Teach your child to reframe this thinking by focusing on the small steps they can take. The journey from "I can't" to "I can" is all about effort and practice.
Try This: If your child is struggling with a puzzle, say, "Let's find just one piece together. We can do this."

Information on SMS text messaging and Short Codes: SMS stands for Short Message Service and is commonly referred to as a "text message". Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as "short code" texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers.

If you've ever sent a text vote for a TV show to a number like 46999, you have used short code texting.

*Terms and Conditions: Message frequency varies. Standard message and data rates may apply. Reply HELP for help. Text STOP to cancel. Mobile carriers are not liable for delayed or undelivered messages. See
