

April 5, 1976

Mr. Richard Cook
Assistant Superintendent
Michigan City Area Schools
Administration Building
609 Lafayette Street
Michigan City, Indiana 46360

Dear Mr. Cook:

The Barker Bicentennial Committee requests permission to encase a time capsule in the east court yard of the school on April 21, 1976.

The materials placed in the capsule are being provided by the students through their teachers. They will be placed in a sealed 14"x14"x20" polyethelene ice chest wrapped in plastic and encased in concrete. The outside dimensions will be 20"x20"x32" with about $\frac{1}{2}$ submerged below the ground surface. A red granite identification plaque will be attached to the top directing the opening to occur April 21, 2026.

Thank you for your consideration.

Sincerely,

Bicentennial Committee
