Mr. William Biddinger
Barker Junior High School

Dear Mr. Biddinger,

I am in receipt of the letter from Mr. Dan LeDuc, Chairman of the Barker Junior High School Bicentennial Committee requesting permission to encase a time capsule in the east courtyard of the Barker Junior High School. You are hereby notified in writing that permission has been granted for your request. After reading last night's paper, it looks like you have received good publicity in reference to this project. On behalf of the administrative team for the Michigan City Area Schools, I would like to congratulate you and the Bicentennial Committee for their initiative in such an effort, and feel free to request permission at any future date for additional endeavors on similar projects.

Sincerely yours,

A handwritten signature in blue ink that reads 'R. G. Cook'.

Richard G. Cook
