States of the Union - Report

Francis Scott Key "The Star-Spangled Banner"

Oh, say can you see, by the dawn's early light, what so proudly we hail'd at the twilight's last gleaming? Whose broad stripes and bright stars through the perilous fight o'er the ramparts we watch'd, were so gallantly streaming.

And the rocket's red glare, the bombs bursting in air gave proof through night that the flag was still there.

Oh, say does the Star-Spangled Banner yet wave o'er the land of the free, and the home of the brave?

## Virginia Dare

Virginia Dare was born in the colony of Roanoke. She was the first English child born in America. Her mother, Elanore, was the daughter of the governor, Governor White. She, too, was lost with the colony, but it is thought she was raised by the Indians.
