

THE HARBOR NEWS

May 2026 Edition

Principal's Message

May's Seaford Scholars trait celebrates innovation and with spring in full bloom, there's no better time to embrace fresh thinking and new ideas! This season brings a renewed sense of energy, making it the perfect opportunity to recognize and encourage our students as they take creative risks, explore new possibilities, and think outside the box. When we support students in becoming innovative thinkers, we help them grow in confidence, build resilience, and develop a true love of learning. Whether they're solving problems in unique ways, trying out new strategies, or bringing big ideas to life through collaboration, their curiosity and creativity are something to celebrate.

Thank you for helping us cultivate a school full of imaginative, forward-thinking learners.

Go Vikings!
Mrs. Bisulca and Mrs. Savage

Harbor Day

Save the date for our annual Harbor Day on Thursday, May 21. We are appreciative of our dedicated PTA for collaborating with us this memorable event. Stay tuned for more details!

Curriculum Night

We invite all Harbor School families to join us on Tuesday, May 19 from 6:30–8:00 PM for Curriculum Night! Come explore classrooms and check out your child's writing. The Harbor School will also serve as a polling location for the Budget Vote from 7:00 AM–9:00 PM. In the spirit of civic engagement, our students will have a chance to cast their own vote—for their next school snack! Student voting stations will be set up outside the gym. We look forward to seeing you for an evening of learning and a little fun!
