SIC Summary Report

Marshall Elementary School (MES) serves 648 students in Pre-K through fifth grade. We are committed to meeting the needs of every child by providing instruction that is both engaging and appropriately challenging. Our students come from a wide range of backgrounds and have different learning needs, and we work hard to support each of them.

At MES, we focus on helping students build the skills outlined in the Profile of the South Carolina Graduate. This includes developing strong academic knowledge, important life skills, and habits that prepare students for future success in college and careers.

Our curriculum includes English Language Arts (ELA), math, science, social studies, and the arts. Teachers plan meaningful and challenging lessons based on South Carolina standards to ensure students are learning what they need at each grade level.

We regularly monitor student progress using a variety of assessments, both formal and informal. This helps teachers understand how students are doing and adjust instruction to better meet their needs.

Our instructional leadership team, known as the A-Team, supports teachers by helping them analyze student data and strengthen instruction. Teachers also meet weekly in Professional Learning Communities (PLCs) to review student progress and plan instruction and interventions together.

All of these efforts are designed to make sure every student at MES receives a high-quality education and the support they need to succeed.

The SIC and the Strategic Planning Committee has identified several goals for MES to include:

- Increase student achievement
- Increase parental engagement
- Teacher quality

2024 SC READY ELA DATA

GRADE	% Of Students Who Met Standard
3	45.4%
4	41.1%
5	43.7%

3	43.4%
4	15.5%
5	24.1%

2024 SC SCIENCE DATA

GRADE	% Of Students Who Met Standard
4	27.8%

Helpful Hints

Studies have shown that children are more successful when parents are involved in their education. You can help your child by doing the following:

- Helping with homework
- Talking weekly with your child's teacher
- Reading at least 30 minutes a night with your child
- Using the Media Center Specialist for help with on-line programs that students can do at home
- Attending PTO and Parent Involvement nights
- Volunteering at school
- Attending Parenting Academies and Family Activities
- Using the Communication Folder and Agenda
