### Student Council

As the school year comes to a close, our Student Council is working hard to make these final weeks memorable and fun for everyone. They have generously contributed funds toward SBAC incentive options, created special plans to celebrate our incredible principal, and organized a second car wash at the Spring Community Market.

Proceeds from the fundraiser will go toward surprising our teachers with their favorite treats during Staff Appreciation Week.

### A Note From Your Principal:

Greetings Roadrunner Families,

It's hard to believe we are in our last month of school! There is still so much to accomplish together before we send our students off to summer and our 5<sup>th</sup> graders to middle school! Last week, we completed SBAC testing for 3rd, 4th, and 5th grade. I have never seen our students so motivated to do well and so positive about how they did after taking the tests. I have high hopes that they rocked the test and showed off how much they learned this year! We will not receive the results until the summer, so we'll send home their reports in the fall. Today, we celebrated finishing the SBAC by drawing names for our mega prizes. Students won Beats headphones, JBL Bluetooth speakers, their choice of anything in the Dojo Store, and our grand prize: the jersey of their choice (under \$100). Incentives like these are made possible by your collective fundraising efforts, so thank you again for all the support you provided this year in helping us celebrate our students' hard work!

Starting this week, we'll be celebrating all of our K-5 students as they start the MAP assessment for math and reading. Please continue to ensure your child(ren) is/are in attendance every day, not only to avoid missing out on their last few weeks of this school year (we still have learning and a lot of fun planned!) but also to ensure they're present on the days their class takes the MAP assessment.

Whether you're moving on to middle school or we'll see you after summer vacation, I want to thank you all for being part of our Roadrunner Community!

*Your partner in education,  
Mrs. Rasavong*

## Family Engagement

Heartfelt Thanks to Our Families!

A huge thank you to everyone who volunteered this year! Whether you helped at the Spring Carnival, donated supplies, or supported our school events, your time made a world of difference. Your involvement shows our students the power of community and kindness. We are so grateful for your partnership and truly could not do it without you! We look forward to more fun together next year.

## Tucker's Corner

May is here! As we celebrate a year of growth, let's keep the momentum going. Help your child practice independence this summer by giving them small chores or responsibilities. When "big feelings" arise, remember our STOP-THINK-CHOOSE strategy: breathe, name the emotion, and make a respectful, responsible, and safe choice. These tools build confidence for the year ahead! Thank you for a wonderful year of partnership. I hope your family has a safe and restful summer break!

Sincerely,  
Mrs. Nicholson ~  
School Counselor

## Staff Spotlight

**Name:** Michele Rowley

**Position at Roberts:** Library Assistant

**Hometown:** Henderson, NV

**Favorite Food:** Chicken tacos

**What's the best part about being a Roadrunner?:**

Being part of a family that puts the kids first. Everyone here at Aggie Roberts are truly here to make the kids better. I am excited to be a part of that!!

**Fun Fact:** Both of my daughters were Roadrunners!

**Our Boys Town skill is the same as last month:  
Accepting Criticism or a Consequence.  
We do this by teaching these steps:**

1. Look at the person.
2. Say, "Okay."
3. Stay calm.

## Very Important Parent Partner

The V.I.P.P. for April was Ms. Toribe, who has a second-grade student in Ms. Smith's class. Not only is her student a great role model for his classmates in being Respectful, Responsible, and Safe, but Ms. Toribe goes above and beyond to support our school. She's often at our school events, is a member of our School Organizational Team, and has been a vendor at both our Fall and Spring Community Markets! Congrats, Ms. Toribe, and thank you for being such a wonderful partner with our school!

## A Note from the Health Office...

Parents, please monitor your child/children and keep them home if they are sick.

If your child is prone to accidents, please send them with a change of clothes and make sure all items of clothing, backpacks, and lunch boxes are labeled.

**\*\*DO NOT SEND MEDICATION WITH STUDENTS TO SCHOOL. ALL STUDENT MEDICATION NEEDS TO BE CLEARED AND KEPT WITH THE HEALTH OFFICE.\*\***
