VMS Chorus

Good evening, and thank you for attending tonight's performance.

A large investment of time and energy by these students has made this performance possible. Interruptions and noises caused by entering and exiting the auditorium are a distraction to both the performers and other audience members. We respectfully ask that you take a moment to silence all cell phones and personal data devices, and that all guests remain seated for the duration of the concert, unless leaving quietly will create less of a distraction than staying.

Thank you and enjoy the show.
