- 1.2.3. Bid Acceptance: June 22, 2026

2. Requested Items

2.1. Type of items requested:

- 2.1.1. A resulting agreement is intended to cover items in the following categories: Grocery Vendor in a Prime Vendor format for use in the day-to-day operations of the District's Food Services program. This agreement is intended to cover items in the following categories: dairy (not fluid milk), dry goods, and frozen. It is not intended to cover fresh bakery products, equipment, produce, chemicals or paper.
- 2.1.2. Buy American- All commodities and products must be of domestic origin to the maximum extent practicable, as required by 7CFR Part 210.21 (d)

"Domestic commodity or product" means an agricultural commodity that is produced in the United States and a food product that is processed in the United States substantially using agricultural commodities that are produced in the United States. (Substantially means over 51% from American products. Therefore, over 51% of the final processed product, by weight or volume, must consist of agricultural commodities that were grown domestically. Thus, for foods that are unprocessed, agricultural commodities must be domestic, and for foods that are processed, they must be processed domestically using domestic agricultural food components that are comprised of over 51% domestically grown items, by weight or volume.)

Limited Exceptions:

Exceptions to the Buy American provision are very limited; however, an alternative or exception may be approved upon request. To be considered for the alternative or exception, the request must be submitted in writing, by the vendor, for prior approval by the district, in advance of delivery.

Exceptions include:

1. The product is not produced or manufactured in the U.S in sufficient and reasonable available quantities of a satisfactory quality; or
2. Competitive bids reveal the costs of a U.S. product are significantly higher than the non-domestic product.

Limited exceptions to the Buy American Provision allow for the purchase of products not meeting the "domestic" standard. Before utilizing an exception, alternatives must be considered:

1. Are there other domestic sources for this product?
2. Is there a domestic product that could be easily substituted, if the non-domestic product is less expensive?
3. Am I soliciting bids for this product at the best time of year? If I contracted earlier or later in the season, would prices and/or availability change?

To be considered for the alternative or exception, the request must be submitted in writing to a designated official, in advance of delivery. The request must include the:

1. Alternative substitute (s) that are domestic and meet the required specifications:
 - a. Price of the domestic food alternative substitute (s); and
 - b. Availability of the domestic alternative substitute (s) in relation to the quantity ordered.
2. Reason for exception: limited/lack of availability or price (include price):
 - a. Price of the domestic food product; and
 - b. Price of the non-domestic product that meets the required specification of the domestic product.

- 2.2.1. Building location list is provided in Appendix B

2.3. Description of items requested:

This Agreement for goods and services (hereinafter referred to as “**Agreement**” is entered into this [redacted] day of [redacted], 2026, by and between **Sedalia 200 School District** (hereinafter referred to as “**District**”), and [redacted], a company with its principal place of business at [redacted] (hereinafter referred to as “**Vendor**”) (hereinafter collectively referred to as “**the Parties**”). In consideration of the covenants, promises, and agreements contained herein, the sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. VENDOR’S OBLIGATIONS

- A. **Products.** Vendor shall provide dairy (not fluid milk), dry goods, and frozen food products required for use in the day-to-day operations of the District’s Nutrition Products program (hereinafter referred to as “Products”) for District. The scope of the Products shall include the Products further described in Exhibit A, Products and Line-Item Pricing, which is attached hereto and incorporated herein by reference. Products shall not include fresh bakery products, equipment, produce, chemicals or paper.
- B. **Scope of Work.** The following terms and conditions apply to Vendor’s provision of the Products to the District:
- i. **Attachments & Order of Precedence.** The District’s Request for Proposals for Food Service Grocery Prime Vendor (RFP 2026-FS-01) is attached hereto as Exhibit B and incorporated herein by reference. Vendor’s proposed Products and Line-Item Pricing is also attached hereto as Exhibit A. In the event of a conflict between the documents listed in this paragraph, the controlling document shall be this Agreement, then Exhibit B, then Exhibit A. Regarding Exhibit A, to the extent that there is a discrepancy between the unit price and extended total for a Product, the lower of the two prices shall be applied.
 - ii. **Deliveries.** Vendor shall deliver Products to the locations provided in Exhibit C, which is attached hereto and incorporated herein by reference. Vendor shall deliver all individual orders invoiced by account to each location. Deliveries will be made weekly to each location. Orders will then be placed with mutually agreed upon lead times for the following delivery.
 - a. **Delivery Schedule.** Product deliveries shall begin July 1, 2026. Vendor and District will mutually agree to a delivery schedule. Vendor shall make deliveries according to that schedule, barring holidays or snow days, on dedicated trucks to the locations identified in Exhibit C. If any order to a location is delivered after 2:00 p.m., the Vendor will provide any overtime

pay due to any of the District Nutrition Services personnel or manager. When such a situation occurs, the District will bill Vendor for the overtime involved.

The District will monitor any changes to the order delivery schedule and act upon them accordingly. The District will exercise reasonable judgment when placing small orders and will make every attempt to place correct orders each time.

- b. **Emergency Deliveries.** Vendor shall respond to emergency delivery requests as they arise due to circumstances beyond the District's control. The District shall endeavor to keep emergency delivery requests to a minimum.
 - c. **Product/Delivery Standards.** Vendor shall adhere to HACCP standards, meaning, Products shall be maintained at appropriate holding temperatures throughout their staging, loading, transport, and delivery.
 - d. **Delivery Location Preferences.** Vendor's delivery drivers shall deliver and off load all Products to the specified area(s) on the inside of each location's building. Vendor shall provide any/all equipment necessary to complete this process.
 - e. **Signatures.** At the time of any delivery, a designated District employee shall sign the provided invoice once the order has been appropriately received and counted, unless the delivery is a key drop delivery.
 - f. **Damaged Products.** The District has no obligation to accept damaged shipments and reserves the right to return at the Vendor's expense damaged merchandise even though the damage was not apparent or discovered until after the receipt of the items. When the merchandise is returned a credit will be issued. The vendor is responsible to notify the Purchasing Supervisor of any late or delayed shipments. The district reserves the right to cancel all or any part of an order if the shipment is not made as promised.
 - g. **Delivery Failure.** If the Vendor fails to deliver an order in entirety, the Vendor will take corrective action either making a special delivery to the District or by arranging for delivery by another vendor. The Vendor shall assume any additional costs between the price of the originally ordered items and the price from the alternative vendor. At least a 99% average fill rate for deliveries is expected.
- iii. **Proprietary/Special Order Items.** The District defines a "proprietary item" as an item the District expects the supplier to purchase and stock. A "special order item" is an item requested for a one-time purchase. Vendor will purchase any special-order Product and ship to the relevant delivery location with the next scheduled delivery. Whenever possible the District will use a Product already stocked by Vendor, but reserves the right to request the Vendor add proprietary items to stock. The Vendor agrees to do so at the discretion of the District. The District will notify the supplier three (3) weeks in advance of the

need for a new proprietary or special-order item, with quantities needed and monthly usage if applicable. There shall be no extra charges for buying and storing of special-order items.

- C. **District Contact.** Vendor shall coordinate the provision of all Products with:

Lindsey Curry
 Director of Food Service
 2806 Matthew Drive
 Sedalia, Missouri 65301
 (660) 829-6475
laddh@sedalia200.org

Or his authorized designee.

- D. Vendor agrees and warrants that it is qualified, experienced, capable, and if applicable, licensed, to provide the Products set forth under this Agreement.

2. DISTRICT'S OBLIGATIONS

- A. District shall compensate Vendor for Products rendered in accordance with Section 3 of this Agreement.

3. TERM AND COMPENSATION

- A. **Initial Term.** The initial term of this Agreement shall be from July 1, 2026 through June 30, 2027.
- B. **Renewals.** The term of this Agreement is renewable annually upon the agreement of the Parties for two additional years beyond the initial term identified in this Section 3.A. The first renewable term shall be from July 1, 2027 to June 30, 2028. Second renewable term shall be from July 1, 2028 to June 30, 2029.
- C. **Pricing.** The District shall compensate Vendor for Products rendered in accordance with each approved invoice (“District Cost”). The total District Cost shall be the sum of (1) the cost of each Product to Vendor, plus any freight in cost not included in the cost of the Product and excluding any discounts, rebates, or manufacturer promotional dollars applicable to the Product (“Product Cost(s)"); and (2) Vendor’s fixed fee as included in Vendor’s response Exhibit B, which represents Vendor’s operating margin and is expressed as dollars per case (“Fixed Fee”). Vendor’s Fixed Fee may not be adjusted unless mutually

agreed upon in writing by the Parties.

- D. Price Adjustments.** Prices for items included in Exhibit A may be adjusted annually based upon comparison of the price to an industry-wide or otherwise nationally recognized index or standard, such as the Consumer Price Index (CPI), or some other form of verifiable document. Vendor will put the District's Director of Nutrition Services on the mailing lists for all such publications so the Director can monitor said changes. That membership will be at no cost to the District. The Vendor shall notify the District of any circumstances in which the de-escalations or reduction of the price may be justified. After the initial twelve months of this Agreement, and any subsequent twelve-month periods, the prices included in Exhibit A may be adjusted up or down in an amount 1) mutually agreed upon in writing in advance by both parties and/or; 2) not to exceed the Consumer Price Index (CPI), appropriate for the product/commodity, as published by the United States Department of Labor.

Vendor shall provide written notice to the District of any proposed adjustment from the pricing included in Exhibit A not less than thirty (30) days prior to the proposed effective date of the requested price adjustment. That notice shall be accompanied by a copy of documentation from the Vendor justifying the price adjustment.

The District reserves the right to determine whether any price adjustment is in the best interests of the District. Accordingly, in the event of any requested price adjustment, the District reserves the right to terminate the contract upon fifteen (15) days written notice.

- E. Payment Procedures.** For the Products provided under this Agreement, Vendor will be compensated based on the Products provided to the District per the attached Exhibits.

Vendor shall submit an invoice at the time of each delivery of Products to Lindsey Curry, District Director of Food Service. An invoice shall be provided for each location at which Products were provided and shall include a detailed breakdown of the quantity and cost of each Product provided, and the total cost owed by District.

Upon receipt of an invoice from Vendor, District shall have forty-five (45) days to provide payment for the same unless an objection to the amount charged is made by District. If an objection is made, the parties shall discuss the objection and attempt to reach a resolution.

- i. **Price Adjustment for Substitution.** If a Product substitution is necessary, the submitted products will be priced at the rate listed in Exhibit A for the Product, unless the cost of the substituted product is lower in which case, the lower price will apply.
- ii. **Miscellaneous/Extra Charges.** Vendor shall submit no extra, or miscellaneous charges, i.e.- storage charge for any items

stocked by the Vendor or fuel surcharges— to the District for any delivery made directly to a site, regardless of case count or dollar value of the order. There also shall not be any extra charges for any delivery made outside the specified schedule.

- iii. **Invoice Requirements.** Invoices shall be prepared and submitted in duplicate to the Sedalia 200 School District. All invoices shall be itemized and shall include the Product pricing identified in Exhibit A unless this modified as required under this Agreement. Each invoice shall include the location site name, District provided purchase order number, contract account number, Product number(s), name(s) and description(s), unit cost(s), extension(s), piece count(s), and extended total by location serviced with a grand total at bottom. District shall receive one invoice per delivery.

4. **TERMINATION.**

This Agreement may be terminated at any time for any reason by the District upon sixty (60) days written notice to the Vendor. Upon receipt of the termination notice from the District, the Vendor shall have twenty (20) days to correct non-compliance issues, as relevant. If compliance is achieved, the District, at its discretion, may cancel the termination notice. To the extent the Agreement is terminated due to Vendor's failure to comply with the terms of this Agreement, the District may assess Vendor reasonable liquidated damages.

This Agreement may be terminated by the Vendor upon sixty (60) days written notice for due to District's documented failure to comply with terms of the Agreement. Vendor may also terminate this Agreement for any reason upon twelve (12) months written notice to the District.

5. **INSURANCE**

- A. **Insurance Generally.** Vendor shall provide and maintain for the duration of this Agreement, insurance acceptable to and approved by District and provide proof of insurance upon request. Insurance provided under this Agreement shall include a Certificate of Insurance which names District as additional insured. The parties agree and understand that the District's inclusion as an additional insured on Vendor's applicable insurance policies and the insurance coverage thereby provided to District is neither intended nor required to provide coverage to District for claims from which District enjoys sovereign immunity. The applicable Certificate of Insurance listing District as an additional insured may contain specific coverage exemptions for the District from such claims. In addition, such insurance shall remain in effect until such time as District has determined that this Agreement is complete.

- B. **Public Liability and Property Damage Insurance.** Vendor shall take out and maintain during the life of this Agreement, such public liability and property damage insurance policies as shall protect them and any subcontractor providing Products to District under this Agreement from claims for damages for personal injury including accidental death, as well as from claims for property damages, which may arise from operations under this Agreement, whether such operations be by themselves or by any subcontractor or by anyone directly or indirectly employed by either of them. The limits of such policies shall be no less than \$1,000,000 per incident and \$1,000,000 annually.
- C. **Worker's Compensation Insurance.** Vendor shall take out and maintain during the life of this contract, Employee's Liability and Worker's Compensation Insurance as required by law for all of their employees providing Products to District under this Agreement, and in case any work is sublet, Vendor shall require the subcontractor similarly to provide Worker's Compensation Insurance for all of the latter's employees unless such employees are covered by the protection afforded by Vendor. In case any class of employees engaged in hazardous work under this Agreement is not protected under the Worker's Compensation Statute, Vendor shall provide and shall cause each subcontractor to provide Employee's Liability Insurance for the protection of their employees not otherwise protected.
- D. **Bonds.** Vendor shall provide sufficient payment and performance bond to the District for the faithful performance of all measures included in the Contract.

6. SPECIAL CONDITIONS

- A. **Buy American Act Compliance.** All Products provided by Vendor shall be domestic commodities or products to the maximum extent practicable, as required under 7 CFR Part 210.21 (d). "Domestic commodity or product" means an agricultural commodity that is produced in the United States and a food product that is processed in the United States substantially using agricultural commodities that are produced in the United States. ("Substantially" means over 51% from American products. Therefore, over 51% of the final processed product, by weight or volume, must consist of agricultural commodities that were grown domestically. Thus, for foods that are unprocessed, agricultural commodities must be domestic, and for foods that are processed, they must be processed domestically using domestic agricultural food components that are comprised of over 51% domestically grown items, by weight or volume.)
- i. **Limited Exception/Alternatives.** Notwithstanding the foregoing, the Buy American Act provides very limited exceptions or alternatives to the requirements provided in this Section 6.A which may be approved upon request.

Exceptions include:

- a. The necessary product is not produced or manufactured in the U.S in sufficient and reasonable available quantities of a

- satisfactory quality; or
- b. Competitive bids reveal the costs of a U.S. product are significantly higher than the non-domestic product.

Before requesting or utilizing an exception, Vendor agrees to consider the following alternatives:

- a. Are there other domestic sources for this product?
- b. Is there a domestic product that could be easily substituted, if the non-domestic product is less expensive?
- c. Am I soliciting bids for this product at the best time of year? If I contracted earlier or later in the season, would prices and/or availability change?

To be considered for the alternative or exception, Vendor's request shall be submitted to the District in writing for prior approval by the District in advance of delivery. The request shall include:

- a. Any alternative substitute(s) that are domestic and meet the required specifications, the price of the domestic food alternative substitute(s); and the availability of the domestic alternative substitute (s) in relation to the quantity ordered; and
- b. The reason(s) for the requested alternative/exception. Reasons may include, but not limited to, limited/lack of availability or price (in which case, include the prices of the domestic food product and the price of the non-domestic food product which meets the required specification of the domestic product).

Vendor performance shall be monitored, as required by 7 CFR 3016.36(b) (2) to ensure compliance with all contractual requirements, including the Buy American Act. Vendor should be prepared to provide certification (packaging information on food products, delivery invoices, and delivery receipts) as to the origin of products and agrees that it has the capability to look back far enough in the Product manufacturing process to be reasonably sure that any significant non-domestic commodity or product content has been identified.

- B. Auditing.** Vendor shall maintain accurate and complete records to document its costs in connection with this Agreement. Throughout the Term of this Agreement, the District reserves the right to conduct audits once per semester to verify that the District has been invoiced for Products in accordance with the terms of this Agreement, specifically, Exhibit A. Vendor will be given at least fourteen (14) days written notice in order to prepare the documents necessary for review. A maximum of twenty-five (25) items will be reviewed at each audit. Such audits will not unreasonably interfere with the conduct of Vendor's business. If necessary, District and Vendor shall promptly agree to payment adjustments with respect to over charges or under charges revealed by the audit. Payment by either party for any uncontested adjustments determined to be necessary based on the audit findings will be processed within thirty (30) days. Any monies due to District following the audit process shall be offset by all monies due to Vendor, unless monies due to District exceeds the amount due to Vendor, in which case

Vendor shall pay the excess. If non-compliance issues are found in the first twenty-five (25) items audited, the District reserves the right to seek audits on another twenty five (25) items. This practice will continue until twenty-five (25) items, within a round of auditing, are found to be in total and complete compliance at the District's discretion. Once an audit round reveals complete compliance, or at the District's preference, the audit will end. Only Vendor and District personnel will participate in any audit and the Parties agree that the information provided shall remain confidential.

- C. Safety.** All practices, materials, supplies, and equipment utilized by Vendor in performance of this Agreement shall comply with the federal Occupational Safety and Health Act, as well as any pertinent federal, state and/or local safety or environmental codes. Material Safety Data Sheets must be provided for each item as applicable.
- D. Tax Exemption.** Vendor agrees and understands that District is exempt from various federal, state, and local taxes.
- E. Communication.** Vendor agrees that its assigned account representative shall assist the District by providing assistance as needed, including, but not limited to providing the following service as requested:

 - ii. Conducting trainings and workshops as requested either in person or over the internet.
 - iii. Handling District complaints and inquiries about various products and resolving issues.
 - iv. Timely communicating with the District Purchasing Supervisor to discuss shortages and needed substitutions. Vendor's account representative shall contact the District's Purchasing Supervisor by 12:00 PM (noon) three (3) days prior to each delivery to discuss any shortages on that week's delivery and any substitutions that need to be made. Substitutions will not be made without District's prior approval. Substitutions will decrease the fill rate.
- F. Training.** Vendor shall provide initial system training to District personnel to ensure their understanding of the program and the procedures for ordering Products. Training is to be done by a qualified instructor(s) and shall provide for a predominantly "hands-on" type of instruction. The schedule of this initial training will be determined by mutual agreement of the Parties.
- G. Discounts and Rebates.** Vendor will pass on to the District all allowances, discounts and manufacturers rebates in the form of lower prices. The Vendor shall also keep the District informed of any rebates or coupons that may be redeemed by the District and provide tracking information on usage, so the District may take full advantage of all such available rebates and free goods offers.
- H. Damaged Products.** The District shall have no obligation to accept damaged Products and reserves the right to return, at the Vendor's expense, damaged Products even though the damage was not apparent or discovered until after the receipt of the Products. When the Products are returned, a credit will be issued. The Vendor is responsible for notifying the District

Purchasing Supervisor of any late or delayed shipments. The District reserves the right to cancel all or any part of an order if the shipment is not made as promised.

- I. Failed Deliveries.** If Vendor fails to deliver any District order in its entirety, Vendor will take prompt corrective action by either making a special delivery to the District or by arranging for delivery by another vendor. Vendor shall assume any additional costs between the price of the Products originally ordered by the District and the price from the alternative vendor.
- J. Selected Purchases.** The District reserves the right to make selected purchases with other vendors in a “special buy” situation, meaning if another vendor has a bulk pallet purchase with a lower case price than provided by Vendor, the District reserves the right to purchase the pallet at the lower price.
- K. Menu Support.** Vendor will work collaboratively with the District to supply the District with menu creation that meets all federal and state nutritional guidelines. Vendor will support the District with any menu information needed for state auditing purposes.
- L. Nutritional Information.** Vendor shall supply the District with printed copies of nutritional analysis as requested and for any new and/or substitution Products.
- M. Commodity Items.** Net Off Invoice items are included in the market basket per Exhibit A. These items must be carried by the Vendor subject to availability from manufacturer.
- N. Sanitation Requirements.** All of the Vendor’s facilities and delivery vehicles must conform to local, state, and federal rules and regulations regarding sanitation and are subject to inspection by District or other officials at the discretion of the District.
- O. Background Checks.** Vendor shall provide to District two types of background checks for employee or subcontract employee who may interact in unsupervised fashion with any District student. These two checks are: Missouri Child Abuse or Neglect/Criminal Record Check; and, Missouri State Highway Patrol Criminal Record Check.
 - i. Vendor will submit these required background checks to District within 14 days of execution of this Agreement. All background checks are required to be on file with District prior to Vendor providing Products to District. All background check documentation shall be delivered to District’s central office. District will notify Vendor of approved and unapproved background checks.
 - ii. It shall be the responsibility of Vendor to ensure all of its employees and subcontractors are in compliance with District access

security requirements.

- P. Compliance.** Vendor shall adhere to all of District's rules, regulations, policies, and procedures when engaged in the performance of this Agreement, including but not limited to Board Policies, the Family Educational Rights and Privacy Act, 20 U.S.C. § 1232(g) (FERPA), 45 CFR §§ 160 and 164 ("HIPAA Privacy Rule"), if applicable, Section 504 of the Rehabilitation Act of 1973, the Individuals with Disabilities Education Act, and all civil rights laws as applicable.
- Q. Relationship of the Parties.** District and Vendor are acting herein as independent contractors and independent employers. Nothing herein shall create or be construed as creating a partnership, joint venture or agency relationship between any of the parties and no party shall have the authority to bind the other in any respect. Vendor and any person employed by or conducting business with District shall not be a partner, employee, agent or joint venturer of District.
- R. E-Verify.** "Within 7 days of the execution of this Agreement, Vendor shall provide to District an affidavit of compliance with E-Verify rules including a notarized statement that Vendor has enrolled in and is currently participating in E-Verify or an equivalent electronic verification of work authorization program operated by the United States Department of Homeland Security under the Immigration Reform and Control Act of 1986 (IRCA) and that Vendor does not knowingly employ any person who is an unauthorized alien in conjunction with the Products being provided under this Agreement.
