

Northeast Elementary School News

September Edition 27

May 4, 2026

Dear Northeast Families,

Welcome, May! We are hopeful that warmer, sunnier days are just around the corner. As students are spending time outside each day, please ensure they are wearing appropriate footwear. Sneakers are required—flip flops are not permitted, as they can lead to accidents during play on the blacktop and playground.

Happy Staff/Teacher Appreciation week: Your impact reaches far beyond the classroom—thank you for the care, dedication, and heart you bring to our students every single day.

Additionally, we are in the midst of end-of-year assessments. This important data helps us measure student growth, identify areas of need, and guide teachers in planning targeted small group instruction to best support each learner.

Northeast Families Thank you for your continued support!

DISTRICT UPDATE: Welcome Our New Superintendent Dr. Adrian Talley & Thank You to Dr. Lucero

At Tuesday night's Board of Education meeting, we were pleased to welcome our incoming Superintendent, Dr. Adrian Talley. Dr. Talley will officially begin his role on July 1 and, in the coming months, will work closely with our current superintendent to ensure a smooth and thoughtful transition. Additional information about Dr. Talley can be found in the district's press release and biography. We would also like to extend our sincere gratitude to Dr. Tamu Lucero for her outstanding leadership and unwavering dedication to Stamford Public Schools over the past 13 years. Her commitment to our students, staff, and community has made a lasting impact. We wish Dr. Lucero all the best as she begins her next chapter in Kenya.

Mark Your Calendars- important dates and upcoming events
