Seal of Biliteracy	

Graduation from high school is a milestone in the lives of our students and their families. The dignity of the occasion can best be observed by refraining from whistling, shouting, use of noise makers or applauding any one student; this will also allow anyone in attendance to hear the name of each graduate.

Your congratulations can best be shown by applause for the total group after the last graduate has been awarded their diploma.

****A student's name appearing with the Class of 2026 does not necessarily denote completion of all graduation requirements.**
