Singley Collegiate Academy
Strategic Priorities
2025-2026

Action	Benchmark
Develop and promote an intensive academic preparation program for college entrance exams (TSIA2, SAT and ACT) and skills necessary to be successful not only in the first year at Singley Collegiate, but also in subsequent years. ● ELAR Instruction for Emerging Bilingual students ● Sequence of math courses to align with TSIA2 content categories.	Benchmark 4
Develop and implement a plan/protocol for students off-track for success. The protocol will include resources to enable every possibility to retain students and promote program completion. ● Goal setting for students. ● Required tutorials, including use of IHE resources. ● Parent Component included in protocol.	Benchmark 4
● Increase the percentage of students attaining College, Career and Military Readiness designation from 87% to 93% by May 2026 with an intentional focus on an increase in TSIA2 and Advanced Placement exam performance.	Benchmark 4
