

From the Desk of Assemblywoman Aura K. Dunn

Dear Educator,

As the school year winds down, I want to thank you for your continued leadership and dedication to New Jersey's students.

Each year, I proudly recognize graduating seniors who have chosen to serve our country through military enlistment. In a time when global events remind us of the importance of service and sacrifice, I am especially grateful for the young men and women who are stepping forward to serve our country.

I would be honored to provide them with an official Legislative commendation and challenge coin. See an example here:

Please email their name, branch of service, and graduation date (if available) to my Chief of Staff, Jeffrey Wood, at aswdunn@njleg.org or call (973) 206-1876.

Last year, I was honored to attend many senior awards ceremonies and personally present these commendations. If you would like me to present them to the students, personally, please let me know. Otherwise, I will promptly have the commendations and letters delivered to your school so that the students can receive it upon graduation.

Thank you for your consideration and for the work you and your staff do each day to support New Jersey's students and their families.

I look forward to your reply and wish you all the best for a successful conclusion to the school year.

Yours in Service and Partnership,

Aura K. Dunn
