Hi there.
We are going to keep things simple this summer.

For AP art, we will complete two tasks this summer:

1. Keep a sketchbook of 20 small drawings or observations. Date them please. All of these sketches should be done from real life, not photos or references from online etc. So, go outside or downtown or to the beach or a coffee shop. Take your sketchbook on a plane or train or in a car, but draw draw draw. And you can do small paintings too or ink sketches. Experiment with different media. Please do not wait until the last minute to do all of these as that will defeat the purpose. Write notes about where you are and date your sketches. Try different media! Enjoy! You will get credit for these drawings in August. Please bring them for our first day of class next Fall.

2. 1 painting/collage/drawing for the BV Auction -
No digital artwork please for this assignment.

If all goes well, we hope to auction these paintings off at the BV auction next year.

The work should be 8.5 by 11 or larger. I can give you a canvas to work with if you would like that.

Here are a few categories to choose from:

Florida wildlife or nature
A Viking
A monochromatic painting that uses yellow or a monochromatic painting that uses black
Or a monochromatic painting that uses any color of your choice
A painting that celebrates religion or faith
A painting that celebrates peace or hope
If you have an idea of something that you want to paint, and it is not on this list, please email me or come and speak to me: stacey.elmeer@bvhs.org
