

# Bellevue Elementary

Bellevue City School District, Bellevue Ohio

May 2026

Dear Families,

As I prepare to transition into my new role at the central office, I want to take a moment to thank you for the trust, and care you've shown me personally and our school community over the years. It has been an honor to serve the children at Bellevue Elementary and to be a small part of their growth.

As we head into summer, I encourage all of our families to keep learning alive in **simple, meaningful ways**. Read together every day - whether it's a bedtime story, a favorite series, or even recipes and signs around town. Give your child opportunities to write, draw, and talk about their experiences. Practice math in real-life situations like counting change, measuring ingredients, or keeping score during games. Most importantly, make time for play, exploration, and family connection - these moments build creativity, confidence, and curiosity that carry into the school year ahead.

You are your child's first teacher. You show them everyday with your actions how to treat others, solve conflict and manage problems. Keep up the challenging work of being your child's first role model in life.

Thank you again for allowing me to be part of your child's journey. I will always carry the memories of this incredible school community with me.

With Children at Heart,

Mrs. Turner, Principal
