

Unity Drive News for May 2026

May 2026

Dear Families,

Our year seems to be flying by! During the month of May we are excited about the warmer weather and all of our upcoming activities.

In Kindergarten we are studying living things (plants and animals) in science and ELA. In social studies we are exploring economics and in math we are working on shapes.

In Pre-K we are studying life cycles of plants and animals during our Growing and Changing Unit. We are working on beginning sounds and making connections between ourselves and texts. In math we are working with numbers 0-20 and using manipulatives to solve simple subtraction problems.

We have lots of fun activities coming up. We thank the PTA for providing our Book Fair, our Arts in Education Show and sponsoring our Field Day this month.

The PTA will be providing T-shirts for the students to wear on Field Day as well as a refreshing snack. Please note that field day is a student event. This is not an open event for spectators.

Don't forget to vote!! MCCSD Budget Vote is May 19th. Our students will be voting during the day for their favorite type of pizza lunch. If they go with you to vote, they will vote on Proposal 1- Additional recess during the week of June 2nd.

We look forward to another fun month at Unity Drive!
