**Questions:**

1. Q: Can you please provide current purchasing prices that Matanuska is purchasing these items at?

   A: Current purchasing prices fluctuate based on the cost structure and award terms of the prior RFP and are therefore not fixed. In lieu of current pricing, we have provided the tabulation sheet from the previous solicitation for consumable supplies, RFP #B24-14, which reflects awarded pricing effective as of May 15, 2025. Prices shown on the tabulation sheet may have been adjusted for evaluation purposes to account for pack size and ensure comparability.

2. Q: On Attachment C: BID FORM. The field requesting "Product ID#". Does that refer to the manufacturers number or would that be our item number?

   A: The manufacturer's product number is preferred. If space permits, bidders may include both the manufacturer's number and their internal item number.

3. Q: Is there any way at all this deadline could get extended?

   A: Due to departmental needs and constraints, the bid due date will not be extended.

4 Q: Can you specify the requested material [for] item no. 43, tray 1-compartment cold clear?

   A: Item 43, Tray, 1-Compartment, Cold, Clear is PET.

5 Q: Could you send the spec sheet or a picture along with the material and dimensions of the item you are currently using [for] Item no. 46, Tray 2-compartment Hamburger cold [and] and Item no. 48, Tray 2-compartment Hamber Black Hot?

   A: See Appendix 11, Selected Product Information, for available details on these items.
