

CENTER GROVE COMMUNITY SCHOOL CORPORATION

Portrait of a GRADUATE

KNOWLEDGE

Students build the knowledge to understand themselves, others, and the world around them. Through daily instruction grounded in strong learning practices and common behavioral expectations, they learn what it means to be safe, valued, connected, and responsible members of a community.

SKILLS

Students develop the skills to communicate, collaborate, regulate their emotions, and persevere through challenges. Through structured opportunities for voice, leadership, and shared input, they practice empathy, adaptability, and problem-solving in real classroom settings.

EXPERIENCES

Students engage in meaningful experiences that foster belonging and purpose. Through consistent community time, leadership opportunities, and a culture of kindness and mutual respect, they actively shape their school experience and grow with confidence.
