2026 Summer Program

Getting Ready for Fall 2026 Grade 8

Getting Ready for Fall of 2026 Grade 8 is a summer learning opportunity designed to help students build confidence and skills before entering junior high school. Through engaging instruction, students will strengthen their math, reading, and writing skills needed to succeed in Grade 8 and beyond. Afternoon enrichment activities are available exclusively for students attending in-person morning classes. These sessions focus on interest-based learning, peer collaboration, and hands-on application of skills.

What are the courses being offered?

- **Getting Ready for Fall of 2026 Grade 8:** Math 8 and English Language Arts 8 (In-Person)
- **Getting Ready for Fall of 2026 Grade 8:** Algebra I and Real-World Problems (In-Person)
