Purpose

The Student Code of Conduct ("Code of Conduct"), as required by Chapter 37 of the Texas Education Code, provides methods and options for managing student behavior, preventing and intervening in student discipline problems, and imposing discipline.

The law requires the district to define misconduct that may—or must—result in a range of specific disciplinary consequences, including removal from a regular classroom or campus, out-of-school suspension, placement in a disciplinary alternative education program (DAEP), placement in a juvenile justice alternative education program (JJAEP), or expulsion from school.

This Code of Conduct has been adopted by the Wichita Falls ISD board of trustees and developed with the advice of the district-level planning and decision-making committee. It provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline. This Code of Conduct remains in effect during summer school and at all school-related events and activities outside the school year until the board adopts an updated version for the next school year.

In accordance with state law, the Code of Conduct shall be posted at each school campus or shall be available for review at the campus principal's office. Additionally, the Code of Conduct shall be available at the campus behavior coordinator's office and posted on the district's website. Parents shall be notified of any conduct violation that may result in a student being suspended, placed in a DAEP or JJAEP, expelled, or taken into custody by a law enforcement officer under Chapter 37 of the Education Code.

Not later than the first day of the 2025-2026 school year, the Texas Education Agency (TEA) shall prepare and provide to each school district a report identifying each law relating to school discipline that was amended or added by the 89th Legislature, Regular Session, 2025. A school district shall provide to each student and the parent of or person standing in parental relation to the student the prepared report.

Because the Code of Conduct is adopted by the district's board of trustees, it has the force of policy. In the event of a conflict between the Code of Conduct and the Student Handbook, the Code of Conduct shall prevail.

Please note: The discipline of students with disabilities who are eligible for services under federal law (Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973) is subject to the provisions of those laws.

School District Authority and Jurisdiction

12. When the student is required to register as a sex offender.

Campus Behavior Coordinator

As required by law, a single person at each campus must be designated to serve as the campus behavior coordinator (CBC). The designated person may be the principal, or any other campus administrator selected by the principal. Additional staff members may assist the CBC in the performance of the CBC's duties, provided that the CBC personally verifies that all aspects of Chapter 37, Subchapter A are appropriately implemented. The CBC is primarily responsible for maintaining student discipline. The CBC shall monitor disciplinary referrals and report the following behavior to the campus's threat assessment and safe and supportive school team:

- Conduct that contains the elements of the offense of terroristic threat under Penal Code 22.07;
